Dear Residents,

My name is **Deb Gurung**. I am a proud Liverpool local, a father of three adult children, and your local candidate representing Community Voice Australia in the Liverpool City Council South Ward by election on 18 April 2026.

I served in the military for over 30 years, including in the British Army and the Australian Defence Force. Through that service, I learnt the value of discipline, integrity, and putting people first values which I will bring to council. I am standing for election because our community deserves better. We need strong, honest leadership that prioritises residents not politics. Yet time and again, we see scandal, poor decisions, and a lack of accountability. Enough is enough. Liverpool is my home. I have lived here for many years, and my children were educated locally in Holsworthy and Casula. I care deeply about this city, its people, and its future. Liverpool has incredible potential to be one of the best cities in Australia. I have seen firsthand the needs of our schools, hospitals, parks, sporting facilities, businesses, and families. These are not just policies they are everyday realities for our community.

MY PRIORITIES FOR LIVERPOOL

If elected, I will focus on practical, community-driven outcomes:

- Advocating for fair and responsible council rates.
- Improving essential services such as rubbish and waste collection.
- Supporting better sporting facilities, parks, roads, footpaths, and public spaces.
- Protecting community assets from unnecessary privatisation and ensuring affordable, concessional access to sporting facilities.
- Supporting investment in roads, schools, parks, and local infrastructure.
- Encouraging job creation and opportunities for local residents.
- Making Liverpool a safer, cleaner, and more liveable city for everyone.

A COMMITMENT TO THE COMMUNITY

Since retiring from the ADF in 2016, I have dedicated my time to community service. I have worked with not-for-profit organisations, supported local initiatives, and listened closely to the concerns of residents.

I understand the challenges facing Liverpool and I am committed to delivering real outcomes.

My focus is simple:

- Listen to the community
- Act with integrity
- Deliver results that matters

WHY COMMUNITY VOICE AUSTRALIA?

- An independent voice that puts residents first not party politics.
- A commitment to ethical, transparent, and accountable leadership
- A focus on improving services, infrastructure, and community wellbeing.
- Representation that reflects Liverpool's diverse and multicultural community.

"TOGETHER, WE CAN BUILD A STRONGER, FAIRER, AND MORE UNITED AND ONE OF THE BEST CITY LIVERPOOL".
